RESPONSE

Dear Sir:

This is in response to the Communication mailed July 30, 2007 in the above-captioned application.

That Communication was entitled, "Notice of Non-compliant Amendment." That Communication asserted that drawings (or amendments to drawings) were submitted with Applicant's previous Response filed on July 19, 2007.

Applicant's Response of July 19 did not contain any drawings or amendments to drawings.

Thus, it is believed that the "Notice of Non-compliant Amendment" is in error.

Applicant respectfully requests consideration of the previously filed Response.

In the event the Examiner considers personal contact advantageous to the disposition of this case, he/she is hereby authorized to call the undersigned, at Telephone Number (216) 861-5582.

Respectfully submitted,

August 8, 2007
